

## National Junior Angus Show - Contests - May 15th Deadline

Team selection for Junior Nationals will be a bit different this year. The quiz bowl will be the same; a test will be taken at the State Show by those who signed up by May 15th, with teams determined by the test scores. Showmanship, like in the past, will be a separate class at the State Show.

Teams for fitting and for sales will not be an individual contest, with teams determined by individual placings. Instead teams need to be organized ahead of time and the names of the NeJAA members making up a complete team along with a coach/sponsor need to be submitted by the May 15th entry deadline. If there is more than one team wanting to compete at Nationals for a given category, then a competition will need to be held at the State Show to select the qualifying team and the alternate team.

Please complete the following if you wish to represent Nebraska:

### **National Showmanship Class**

Contestant's birth date must be from January 1, 2003 through December 31, 2009.

\_\_\_\_\_
