NEBRASKA
ANGUS
NEWS

RAISE THEM STRONG.

TRUE BLUE NUTRITION FOR ANY CONDITION.

Healthy newborn calves and improved conception rates start with cow herd nutrition. Vitalix tubs are the ideal delivery system to provide essential nutrition for calving. Vitalix uses technologies that are proven to improve colostrum quality, calf health and immunity, all while supporting the mother cow now, and more offspring to come.

Happy New Year to our members and readers! As I sit here and write this column, I think about what I have learned within the Nebraska Angus Association, the wonderful people I have met, and I cannot believe I am starting my sixth year in this role. The cattle and livestock industry has always been a passion for me, and ten years ago I would have laughed if you told me I would be leading an Angus organization, putting together magazines, and organizing big events, when my original goal was to be a cow doctor preg-checking, doing C-sections, and more. Life has its way of leading you into directions you can never predict, but I am very happy it has led me to this organization. Thank you to everyone who continues to support me! I am excited for another year to represent the cattle producers of Nebraska and provide opportunities for our next generation.

A new year brings new things to the Nebraska Angus Association. Soon member production sales will be in full swing. This issue is full of sale advertisements for breeders holding their sales at the beginning of the year. I challenge you to take a look at all the bulls and females being offered these next few months. Registered seedstock and commercial producers work really hard to provide top quality Angus cattle for you and the consumer. Along with sale ads, you will find results from the royalty contest and the Nebraska Junior Angus Winter Show. A wonderful royalty competition was held December 7th in Kearney in conjunction with the winter show. Selected for Nebraska Angus Queen was Loganne Barta of Yutan, and Nebraska Angus Princess Zoey Malander of Belgrade. These young ladies will spend the year going to member production sales, attending Nebraska Angus and Nebraska Junior Angus events, and will participate in other youth activities. If you would like to meet Loganne or Zoey, or have them attend your production sale, please reach out to the Nebraska Angus Association office. These young ladies are eager and excited to represent our state association.

To conclude this letter, I would like to remind you that the 2025 membership renewal form has been sent out. For our current members you would have received the membership form with the winter newsletter, and the 2025 sale postcard. Also, in the mailing you would have found a poll of whether or not you would be interested in consigning to a Nebraska Angus Association state sale. For the past couple of years, the board of directors have been discussing how the association could provide another successful marketing opportunity for our breeders. Please give your feedback if you would participate or be interested in a state association sale. The board is depending on this feedback to help make a decision.

Thank you for your continued support with the Nebraska Angus Association and always remember that you can reach out to myself or one of the board of directors if you have a question or concern. All of us at the Nebraska Angus Association hope you have a blessed year!

Sincerely,

Margo Lehn

PRESIDENT SPEAKS

By: Adam Sawyer, NAA President

Dear Fellow Nebraska Angus Breeders,

As we welcome 2025, I want to take a moment to express my sincere gratitude for the opportunity to serve as your president this year. It is truly an honor to work alongside so many dedicated individuals who share a passion for the Angus breed and the future of our industry. I look forward to the continued success and growth of our association as we move into the new year.

A heartfelt thank you to Brian Stoller, who served as president in 2024. Brian's leadership and commitment have been invaluable to the Nebraska Angus Association, and we all greatly appreciate his hard work and dedication.

I also want to extend a special thank you to the delegation of Nebraska Angus members who traveled to Fort Worth, Texas, for the Angus Convention November 1-4. Your presence and participation at this important event not only represent the strength of our state's Angus community but also demonstrate our commitment to shaping the future of the American Angus Association.

A huge congratulations to Danny Poss for being elected to the American Angus Association Board of Directors! This is a remarkable achievement, and we are incredibly proud of Danny and the continued representation of Nebraska at the national level.

As we look forward to the year ahead, I want to wish each of you a prosperous and successful calving season. May your bulls perform well, and may your sales exceed expectations. Together, we will continue to build on the strong foundation of Nebraska's Angus industry.

Finally, on behalf of the Nebraska Angus Association, I wish you all a very Happy New Year. I am excited for the opportunities that await us in 2025, and I look forward to working together to ensure another successful year for all of us.

Warm regards,
Adam Sawyer

NE AUXILIARY PRESIDENT SPEAKS

By: Aliasha Meusch, NE Angus Aux President

Hello Angus Family,

The winter brings a lot of different feelings – the feeling of exhaustion working out in the cold, feeling of thanks for what you have and a feeling of joy celebrating the holidays with friends and family. I know I am looking forward to family time and am so thankful for what my family does to keep our cattle business moving during the cold season. A new year brings new beginnings – much like many might have new members to their cattle herds during calving. In the Auxiliary – we had a successful year and look forward to growing more in the new year.

As an Auxiliary – we didn't meet as often as we had planned this year – but still had a strong presence in everything we could! The Auxiliary supported our members at NCC The Classic, the Nebraska State Fair and the junior members at the National Junior Angus Show, among other events. We are proud to support these organizations and their passion for the Angus breed!

Earlier this month, we hosted the 2025 Nebraska Angus Queen and Princess competition. Kortney Tarnik, Queen Committee Chair, put together a fabulous event where we had two juniors in the Queen and Princess competition compete for the title. We are happy to recognize Loganne Barta as the 2025 Nebraska Angus Queen and Zoey Malander and the 2025 Nebraska Angus Princess. We can't forget all the work that our 2024 royalty, Addi Crouse and McKinley Stoller, put in to represent our breed and organizations at various events.

Thank you, Margo Lehn, for supporting this event and helping us along the way! Keep an eye out for Loganne and Zoey throughout the year at various events. If you would like them to attend your event or sale – please reach out to Margo or myself!

We are thankful for the opportunity to have met new women involved in the Angus breed at the banquet. Anyone is always welcome to join our organization – no matter your level of involvement in the Angus breed! We hope to have our annual meeting soon – so be on the lookout for that. As an Auxiliary, we strive to find a central location to meet in person, while also including a fun activity. We would love for you to join us as we grow and serve our Nebraska Angus Association and Nebraska Junior Angus Association! Our next meeting will be held in person in January. We are finalizing the date and will get it shared soon!

In this winter season – I hope you all remember the true reason for the season and those who helped you get to where you are today. Continuing the legacy of those before you – or even starting your own – is something to be proud of. This season is always the hardest with the calving bringing the cold along with it. Remember why you are here and your purpose for the passion of raising Angus cattle.

Wishing you all the best this winter season!

By: Kasey Meyer, NJAA President

Hello everyone!

As we jump into the busy holiday season I hope everyone is staying warm and enjoying their break from school! To kick-off our winter season our junior association just recently held our annual Winter Kick-Off show in Kearney. We had a great weekend filled with fun, friends, and angus cattle! We held our junior meeting Saturday December 7th. Later that evening was our family fun and awards night banquet which was new for us this year. At this banquet the crowning of the new queen and princess was presented. Congratulations Loganne Barta and Zoey Malander! Scholarships along with a couple other awards were presented and we ended the night with some fun games for the juniors! The night was a blast and it's always a good time reuniting with our angus family.

The next day was the show where we had great numbers and insane depth! It was a very competitive show and I congratulate all of those who won. Be sure to be on the lookout for more coming from the Junior

Association in regards to our winter kick-off show in future years! We're excited for new ideas and looking forward to more to come. As we continue on with the winter show season a few majors such as Cattlemen's Congress in Oklahoma City and National Western Stock Show are coming up so be on the lookout! Upcoming is our NeJAA semen auction that will be from January 10-18th and online at Angus Live this year. If you have any questions feel free to reach out to any officer or advisor! I wish everyone a happy holiday season and to stay warm!

Kindest regards,

Kasey Meyer

Nebraska Angus Association Scholarship Application

Due March 15, 2025

Send to Margo Lehn, Po Box 245, Long Pine, NE 69217

Please return by mail or email to: info@nebraskaangus.org

(IF SENDING BY EMAIL PLEASE CONFIRM IT IS RECEIVED)

The Nebraska Angus Association annually offers scholarships to Angus youth. This year we are proud to announce that the Nebraska Angus Auxiliary will be partnering with this scholarship again and we will be offering \$1,250 in scholarship money. The winners will be announced at the Nebraska Junior Angus State Show in June. Individuals who have been awarded this scholarship in past years may reapply but no more than \$1,000 will be awarded to any one individual.

Applicants must be a Nebraska resident, current member of the Nebraska Junior Angus Association and current junior member of the American Angus Association or, if over 21, a former member of both organizations. Applicants must be a graduating high school senior or undergraduate who will be enrolling in a 2 or 4 year post high school educational program in the coming year. Applicant's parents must be members of the Nebraska Angus Association.

SAFETY ZONE™

CALF CATCHERS

A Cowman's Best Friend at Calving Time!

Designed for Processing Safety...

- Enables quick and safe calf catching!
- Convenient, step in access of producer!
- Holder secures calf for easy processing!
- User-friendly inside release of calf to cow!
- Move calves easier with cow following!
- Less cow stress, mother can see and smell calf!
- Reduces danger while working new calves!
- Quick Mount/Dismount on both ATV & UTVs!

Now available with a digital scale!

Safe Release!

Safe Processing!

Easy and Safe Catching!

ONE PERSON can now SAFELY and EASILY process calves without concern of the protective mother cow!

DEALER INQUIRY INVITED
Made in Nebraska!

Now Powder Coated for Added Durability

Fits ATV's and UTV's!

Nathan Cole, NE - "Has made working with the babies much safer for us. It also gives confidence to anyone that has been ruffed up before or has not been around the mother cows before. I wish we would have purchased the Safety Zone Calf Catcher years ago."

Bruce Rickertsen, NE - "Makes catching, transporting and tagging calves much easier and safer."

John & Mary Block, NE - "We love our calf catcher! It helped us in calving with each situation from tagging to treating sick calves."

Joe Metcalf, NE - "I would not trade my Safety Zone Calf Catcher for all the tea in China!"

www.bearmountainangus.com

NAA PRESIDENTIAL SPOTLIGHT

BRIAN STOLLER

The Nebraska Angus Association Past President Brian Stoller has been involved in the Angus industry his entire life throughout different parts of the country. Brian was born in Sonora, California, and grew up in Angels Camp, California, which is located in the north central part and found in the foothills of the Sierra Nevadas. In 2001 he moved to Melba, Idaho, and then to Palisade, Nebraska, in 2008 where he currently operates Bear Mountain Angus. Brian and his wife Tiffany have two daughters, Reagan and Mckinley. Reagan got married in October to Dennis Cavanaugh and Mckinley is 14 and currently in the 8th grade. He has one brother named Scott who is married, has two young sons, and is the Manager of the Colorado State Fair. Brian's parents are Gary and Davene (Davy) Stoller. His dad Gary is deceased and his mom lives in California.

Brian who is a first-generation Angus breeder, started his career with a 4H project. In 1986 his parents purchased two heifers for his brother and himself at Thomas Angus in Baker, Oregon. This project led Brian to really getting involved in the state and

PAST PRESIDENT BRIAN STOLLER WITH CURRENT PRESIDENT ADAM SAYWER

national junior Angus programs. Currently, Bear Mountain Angus sells bulls and females. They hold a sale in February to market their bulls and a sale in October to market their females. Each year they have private treaty bulls for sale as well. The bloodlines used in the herd are very maternal and have an optimal amount of growth and carcass traits. They do not breed for extremes. Some sires used are Bear Mtn Justify, Bear Mtn Stealth, Bear Mtn North Star, Bear Mtn Justice, Ellingson Prolific, Tehama Patriarch, Sitz Stellar, Sitz Domain, Woodhill, Reality and Sitz Genuine.

Advice Brian would share with new members to our association is to breed cattle that work for them in their environment and not to chase extremes and get caught up in hype. Study the cattle pedigrees and make sure they are proven to work in your environment. He also believes that members need to get involved in association events. These events are a great way to meet new people, get your operation

name out there, and learn more from those who have been doing the business for a long time.

As Brian moved into the Past President role, the most rewarding part about being a member of the Nebraska Angus Association he said is, "Getting to meet and serve all the great fellow Angus breeders in Nebraska." The Nebraska Angus Association explores new ideas every year to see how we can improve our Association for our membership. During his role as President the board and himself discussed trying to start a sale for the members in the fall along with the tour. He hopes that the Association in the next year or two can put on a sale for the members to help grow the membership and give back to them.

NEBRASKA PRODUCER OF THE YEAR

KREBS RANCH located in Gordon, Nebraska was established in 1979, by Eldon & Louisa Krebs, and is now the third generation of ownership. Ty & Kaleigh Krebs and Jake & Kami Scott along with their children, Sage, Kynsleigh, Kashlyn, Payton and Harper are all intricate parts of the operation. The ranch is located northeast of Gordon and straddles the

Sheridan and Cherry County border. The ranch will be holding their 45th Annual Bull sale the third Thursday in February. Additionally, cattle are marketed privately and through periodic production sales throughout the year.

Eldon has spent a lifetime in the cattle industry. Raised on a commercial cow ranch in Neligh, Nebraska, he was active in youth agricultural programs, including FFA and 4-H, raising, showing and judging livestock and in particular beef cattle. After attending the University of Nebraska, he furthered his knowledge and insight into beef production by embarking on a practical education by working for some of the leading ranches in the United States and working alongside the leading stockmen of that time. During this time frame, he bred, raised and showed the National Shorthorn Bull and Female for Bob-Lee Farm, and then went on to bred, raise and show

SECRETARY MARGO LEHN AND PRESIDENT ADAM SAWYER PRESENTING KAMI SCOTT AND LOUISA KREBS OF KREBS RANCH THE 2024 PRODUCER OF THE YEAR AWARD.

the National Champion Angus Bull, Ken Caryl Mr Angus during his tenure at Ken Caryl Ranch in Colorado. After his time in Colorado, Eldon and his family settled in Gordon Nebraska, bringing with them the foundation Angus cows they would develop the Krebs Ranch Angus herd around.

The Krebs family has been active in the Nebraska Angus Association for many years. Eldon served two terms as a director of the State Association in the late 1980's, and he along with Ty and Jake have been delegates to the National Convention on many occasions. Ty & Kami were active members of the Nebraska Junior Association in their junior years, and now Jake & Kami are serving as advisors to the state Junior Association.

The Krebs Ranch cowherd is the culmination of continual selection pressure focusing on the functional traits required for Angus cattle to thrive, on their own, under commercial range conditions. While strong emphasis is placed on the all-important traits of growth and carcass performance, we know that

quality and phenotype also heavily impacts the bottom line of our customers. We consider quality and phenotype as important as any objectively

measured statistic and demand impeccable confirmation in our cowherd and their resulting progeny. Only the superior producers, who efficiently maintain themselves, rebreed on time, and consistently wean pounds of beef, survive Eldon's strict culling regiment. The result is a consistent, uniform, and dependable cowherd that works for us and, more importantly, works for our customers.

The cowherd is managed on native Sandhill pasture.

All bulls are developed and managed in the ranch's backgrounding lots, on feed that is produced on the ranch.

A semen collection facility was added to the ranch business in 2007. Situated on over 600 acres near the ranch operation, Western Sire Services can house 125 bulls, all with individual shelters and expansive exercise lots. Managed by Kami Scott, Western Sire Services is a Certified Semen Services facility. All semen is collected, processed and frozen on site, and has storage capacity of over 1.5 million straws. Semen is shipped daily across the United States as well as to foreign markets.

It truly can be said that Krebs Ranch is the result of a man and his vision and the value of the Angus cow.

NEBRASKA ANGUS ROYALTY COMPETITION

NEBRASKA ANGUS ROYALTY COMPETITION
On December 7th, 2024, the Nebraska Angus Auxiliary and the Nebraska Angus Association hosted the Nebraska Angus royalty contest at the Holiday Inn & Convention Center in Kearney, Nebraska. During the event, the morning included a brunch, great social networking, and beautiful decorations. The event was headed by our Nebraska Angus Auxiliary queen chairwoman Kourtney Tarnick with the help of Nebraska Angus Secretary / Manager Margo Lehn.

This year there were four contestants. Of those contestants running for princess were Aislynn Jensen of Hampton, and Zoey Malander of Belgrade, and for queen Loganne Barta of Yutan, and Olivia Ord of Red Cloud. During the contest the contestants took part in an interview, and performed a presentation on why they wanted to be the next Nebraska Angus queen or princess. This year's judges were Savannah Hauxwell of McCook and Lana Hubbard of Elm Creek.

Crowning took place during the Nebraska Junior Angus Association supper and fun night. Loganne Barta was crowned queen and Zoey Malander as princess. As queen Loganne was awarded a belt buckle, rose bouquet, travel bag, crown, sash, and a \$1,000 travel award. For the princess, Zoey was awarded a belt buckle, rose bouquet, travel bag, crown, sash, and crown pin.

The Nebraska Angus Auxiliary and the Nebraska Angus Association would like to thank our sponsors that helped make this event an unforgettable one. Thank you to Aliesha Meusch, Dethlefs Angus, Heather Trumble and Rachel Smith, and Kourtney Tarnick for your generous donations! If you would like to meet Loganne or Zoey, or have them come to your annual production sale, please reach out to the Nebraska Angus Association office. We are proud to have Loganne and Zoey on board as our 2025 Nebraska Angus Royalty!

1,500 Gather in Texas for Angus Convention

Angus enthusiasts attend the 2024 Angus Convention in Fort Worth, Texas, for organization business, awards, tours, educational sessions and networking.

The American Angus Association welcomed nearly 1,500 registrants to Fort Worth, Texas, Nov. 1-4, for its annual Angus Convention. The event showcased innovation in production practices, technology and Association programs, and it celebrated tradition and the people who have helped make the Angus breed what it is today.

"It encourages me to see people investing time to be at Angus Convention and stay connected," said Mark McCully, CEO of the Association. "With everything we have going in this business, I'm still most optimistic about what is yet to come."

LEARNING TOGETHER

Educational tours and presentations continue to be a highlight for many attendees. The 2024 National Angus Tour and Beef Blitz tour included stops at the Cox Ranch in Peaster, Texas; Vytelle's corporate laboratory in Fort Worth; and Certified Angus Beef's (CAB's) Texas-based, licensed partner Buc-ee's among others.

"Farmers and ranchers take care of the cattle and land; that's their world," said Mike McReynolds, CAB's executive account manager for the south-central region who helped organize the 2024 Beef Blitz. "From gate to plate, there are several segments in the supply chain. We host the Beef Blitz to help connect the dots, sharing more about how it all works after cattle leave the ranch."

On the main stage, Scott Stratten of UnMarketing Inc. spoke about the value of storytelling and the value of making things right when they go wrong, related to seedstock providers' customer experience. His keynote was

sponsored by IMI Global, a division of Where Food Comes From.

The genetics symposium during Angus Convention featured presentations and discussion on the intersection of genetics and cattle health. Sponsored by Neogen, the symposium speakers discussed the use of new technologies, like gene editing in the pork industry and data collection methods for cattle, to improve animal health and productivity.

Angus University sessions offered attendees even more education. One learning track on Sunday featured succession planning expert and Oklahoma State University professor Shannon Ferrell, who brought energy and humor to a challenging subject for many ranching families. Producers were introduced to the basics: ways to start a conversation with their family and a variety of tools that can help them make the most of the transition. In another track, speakers shared about the economics of herd rebuilding and selection and marketing tools for commercial cattlemen like GeneMax® Advantage™ and AngusLinkSM.

"Begin with the end in mind," said Nevil Speer, an industry consultant. "Ultimately consumers are our business."

Producers considering new ways to drive revenue for their operation sat in on sessions exploring direct-to-consumer sales through the Certified Angus Beef Ranch to Table program as well as opportunities to leverage carbon credits and cost-sharing sustainability programs.

Offered for a second year in a row,

the Angus Media Marketing Summit offered breeders information to better understand how to refresh or evolve their brand. This included presentations about the use of videos, Angus Media's Pasture to PublishSM portal and ideas for how to make the most of sale day with marketing.

TAKING CARE OF BUSINESS

During the 141st Annual Convention of Delegates on Monday, Nov. 4, the Association recognized Barry Pollard for his service as the outgoing president of the Board of Directors. The 263 delegates in attendance re-elected Paul Bennett; Red House, Va.; and John Dickinso, Auburn, Calif., to the Board for a second term. Elected for a first term were Ron Hinrichsen, Westmoreland, Kan.; Mark Johnson, Orlando, Okla.; and Danny Poss, Scotia, Neb.

Jonathan Perry, Fayetteville, Tenn., was elected as president for the Board's 2024-2025 year, and Jim Brinkley, Milan, Mo., was elected as vice president. Darrell Stevenson, White Sulphur Springs, Mont., will serve as treasurer.

The Association also took time during the convention to collectively reflect on the progress the breed has made.

"We talk a lot about quality, but something lately that I've been thinking more about is the impact of the Angus breed on consistency," said McCully during the opening general session. "We've improved the consistency of the product and that has a tremendous amount of value. It brings value to how we market the cattle, how we manage the cattle and sure has a lot of value to the folks that are selling our product and the consumers at the end of that supply chain."

CELEBRATING IN STYLE

The largest celebration at Angus Convention was once more the Association's awards dinner and reception on Nov. 3. During the event, the Angus Heritage Foundation inducted Bill and Sally Bowman, Saint

Joseph, Mo.; Dave and Yvonne Hinma, Malta, Mont.; Harlan Ritchie (posthumously), East Lansing, Mich.; and Bob and Jim Sitz of Harrison and Dillon, Mont. Sitz Angus was also recognized for passing the 100-year mark for continuously raising Angus cattle.

Other winners recognized during the awards dinner and reception are as follows:

The Roll of Victory (ROV)

Breeder of the Year -Express Ranches, Yukon, Okla.

ROV Bull of the Year - BNWZ Executive Decision 2219 owned by Hunter Angus, Fair Grove, Mo. and Kayden Nowatzke, Michigan City, Ind.

ROV Show Heifer of the Year - EXAR Princess 2717, owned by Jake Allison, Yukon, Okla.

2024 Sire of the Year - Conneally Craftsman (Registration No. 20132505) bred by Conneally Angus, Whitman, Neb., and owned by Select Sires Inc.,

Plain City, Ohio, and STgenetics, Navasota, Texas

Angus Ambassador of the Year - Mike McGuire, Waverly, Ala.

Young Breeder of the Year - Cody Quam, Lodi, Wis.

The reception concluded with the crowning of the 2025 Miss American Angus. Rosalind Kidwell, Gentryville, Ind., will serve as a spokesperson for the Angus breed at shows and events across the country in the coming year.

Another source of excitement came from drawing the grand prize giveaways. Steve Knoll, Hereford, Texas, won a complete cattle-handling system from Priefert and Datamars. Debbie Denowh, Sidney, Mont., was drawn to win a John Deere XUV835M Gator; and Lori Thomas, Baker City, Ore., took home a Trans Ova genetics service voucher, which helps cover one genetic preservation, an IVF cycle, and up to five fresh implants into Trans Ova or client recipients.

Throughout the long weekend, the director of culinary arts for the Certified Angus Beef brand, chef Tony Biggs, along with convention staff, kept attendees satisfied with beef dishes and hors d'oeuvres. The brand also hosted a Beef Quality Assurance (BQA) Bash on Nov. 2, as part of its "Raised with Respect" campaign. It was preceded earlier in the day by a BQA training, which was attended by 115 ranchers.

Radale Tiner, Association regional manager for Texas and New Mexico, reflected on Angus Convention as a whole. He said, "It was great. It was well attended. I thought everyone had fun, starting with the National Angus Tour — people talking about how good the stops were — all the way through to the awards dinner. I'm glad we could host the Angus family back in Texas this year."

CONNEALY CRAFTSMAN NAMED TOP SIRE

THE TOP SIRE, RECORDING MORE THAN 4,000 PROGENIES, WAS HONORED AT THE 2024 ANGUS CONVENTION.

For more than 150 years, the popularity of Angus cattle has grown, making over 80% of America's cow herd influenced by Angus genetics. Influential sires have made their mark, and during the 2024 American Angus Association Awards Dinner and Reception on Nov. 3, 2024, in Fort Worth, Texas, the Association recognized the sire registering the most progeny.

Connealy Craftsman owned by Select Sires Inc., Plain City, Ohio, and Sexing Technologies, Navasota, Texas, sired 4,014 calves registered into the Angus herd book, the most in fiscal year 2024.

"We were interested in this bull for a variety of reasons, but it was phenotype that set him apart for us. His \$M index and foot scores were excellent, and his pedigree was something different for us," says Brian House of Select Sires Inc. "When our team set their eyes on him, they very quickly selected him as the 'special bull,' in that sale."

Recognizing these sires highlights the breeders dedicated to providing top-quality Angus bulls.

"Our members enjoy wide diversity in genetics to achieve

CONNEALY CRAFTSMAN OWNED BY SELECT SIRES INC., PLAIN CITY, OHIO, AND SEXING TECHNOLOGIES, NAVASOTA, TEXAS, Sired 4,014 CALVES REGISTERED INTO THE ANGUS HERD BOOK, THE MOST IN FISCAL YEAR 2024. PICTURED (FROM LEFT) ARE LAUREN WOLTER, MISS AMERICAN ANGUS; SHARON, JERRY, HANNAH, AND GABRIEL CONNEALY OF CONNEALY ANGUS RANCH; LORNA MARSHALL AND DAVID THORBAHN OF SELECT SIRES INC.; AARON ARNETT, AND JUAN MORENO OF STGENETICS; AND MARK MCCULLY, AMERICAN ANGUS ASSOCIATION CEO.

whatever their breeding goals are," says Mark McCully, CEO of the Association. "We're thankful for these cattlemen committed to breed improvement."

Top 10 sires recorded from Oct. 1 through Sept. 30:

2. GB Fireball 672, ABS Global Inc., De Forest, Wis.; Goode Angus, Pampa, Texas; and Grand Bayou Farms, Ruston, La., 3,500 calves

3. Deer Valley Growth Fund, Deer Valley Farm, Fayetteville, Tenn., 3,368 calves

4. Sitz Resilient 10208, Bar J V Angus Ranch, Fairview, Mont.; Dan Ingalls, Casper, Wyo.; and Lunds B Bar Angus, Wibaux, Mont., 3,332 calves

5. Tehama Tahoe B767, Midwest Genetics, Long Island, Kan.; Tehama Angus Ranch, Gerber, Calif.; and VanDerVeen Farms, Phillipsburg, Kan., 2,411 calves

6. LAR Man in Black, ABS Global, De Forest, Wis., and Larson Angus Ranch, Sharon Springs, Kan., 2,292 calves

7. DB Iconic G95, Douglas Booth Family, Torrington, Wyo., and Genex Cooperative, Shawano Wis., 2,273 calves

8. Sitz Stellar 726D, ABS Global, Inc., De Forest, Wis., and Sitz Angus Farm, Dillon, Mont., 2,165 calves

9. Poss Rawhide, Danny Poss, Scotia, Neb., and Sexing Technologies, Navasota, Texas, 2,090 calves

10. GAR Home Town, Gardiner Angus Ranch Inc., Ashland, Kan., 2,068 calves

THE SECOND-BEST SALES YEAR FOR CERTIFIED ANGUS BEEF Cattlemen get rewarded for raising Angus cattle that qualify for the brand.

In a year marked by shifting marketing dynamics and margin pressure across the supply chain, Certified Angus Beef (CAB) closed its 2024 fiscal year with its second-strongest sales year in the company's history. With growth both domestically and internationally, the global beef brand sold 1.237 billion pounds (lb.) across the United States and 55 other countries.

Since 1978 Certified Angus Beef's success has been in large part because of the engaging, forward-thinking and collaborative producers and partners we work with from pasture to plate." — JOHN STIKA, PRESIDENT OF CAB.

STAY THE COURSE ON QUALITY While the total fed-cattle supply declined by 1.6%, this year a record 5.96 million carcasses, up 2.4%, were certified for the brand, with 37.4% of all Angus cattle meeting the brand's strict quality standards. A record 730,000 carcasses qualified for Certified Angus Beef® Prime.

"The Angus cattlemen and women who spend every day dedicated to producing the highest quality cattle are the foundation of our brand," Stika says. "With strong

consumer demand, the signal to continue producing premium beef is clear."

Genetic selection and the right management earned producers nearly \$100 per head, above market price, in grid premiums for cattle meeting the brand's standards.

CONTINUED GROWTH AND DEMAND The market signals from domestic and international consumers showed high-quality beef is in demand both at restaurants and in the meatcase.

Diners continued to find CAB offerings from Michelin-star restaurants to barbecue joints and beyond, spurring continued foodservice growth with 415 million lb. sold across independent specialty, broadline and corporate specialty distributors. Domestically, foodservice experienced the second-best year ever, marking 14 years of growth out of the past 15.

At the meatcase, shoppers reached for the brand. Retail stores recorded 521.5 million lb. sold, a slight 1.7% decline from the previous year. This marked the sixth year of more than 500 million lb. sold across retailers.

CAB Prime sales noted a new milestone with 50.5 million lb. sold, growing 22.5% from 2023. Given the current market conditions, these record sales are further indication that consumers are not backing down from quality.

International product sales grew by 4.6% in 2024 to 194.8 million lb. At a time when overall U.S. beef exports were down, this huge growth was in large part due to increased sales in Mexico, which grew by 30%, making it the brand's second-largest international market.

CAB value-added products saw their fourth year of continued growth, reaching 45.5 million lb. The widely popular Certified Angus Beef® smoked and fully cooked brisket saw 27% growth, and beef bacon remained popular both in the United States and internationally.

The brand continued to embrace consumer choice with three additional line extensions: Certified Angus Beef® Natural, Certified Angus Beef® Grass-Fed and Certified Angus Beef® Ranch to Table™.

"We are a brand driven by relationships and quality," Stika says. "We know that producers and partners across the supply chain who often choose to lead with our brand quality promise succeed, even during difficult market dynamics that challenge producer profitability. Looking ahead, our team is focused on continuing to drive demand for registered Angus genetics and meeting consumer preference for high-quality beef. It's an approach that's worked well for 46 years." —By Lindsay Graber Runft, Certified Angus Beef Producer Communications Director

**NEW LEADERSHIP ELECTED TO
THE AMERICAN ANGUS
ASSOCIATION BOARD OF
DIRECTORS**
ASSOCIATION LEADERSHIP SELECTED
FOR 2025 AT THE ANNUAL
CONVENTION OF DELEGATES.

The American Angus Association 141st Annual Convention of Delegates gathered Nov. 4, in Fort Worth, Texas. Five members were elected to the Board of Directors. They are Paul Bennett (second term), Red House, Va.; John Dickinson (second term), Auburn, Calif.; Ron Hinrichsen, Westmoreland, Kan.; Mark Johnson, Orlando, Okla.; and Danny Poss, Scotia, Neb. The delegation also elected new officers; Jonathan Perry, Fayetteville, Tenn., president and chairman of the Board; and Jim Brinkley, Milan, Mo., vice president and vice chairman of the Board. Darrell Stevenson, White Sulphur Springs, Mont., will serve as the treasurer for the 2024-25 term.

"We have got to continue to make the American Angus Association relevant to its breeders and its members," Perry says. "We have got to embrace diversity. We have got to continue to create tools that touch every member. The diversity of our breeders and our breed is our greatest strength."

Directors can serve up to two, three-year terms on the board and, if elected, they serve an additional one-year term in office as president/ chairman and/ or vice president/ vice chairman.

Danny Poss, a first-generation Angus breeder and lifelong resident of Scotia, grew up on a diversified, family farming operation. The early foundation of the family's commercial cattle operation was established by his parents, Melvin and Elizabeth. In 1985, as a sophomore in high school, Poss purchased his first registered Angus heifer. Poss attended the University of Nebraska-Lincoln (UNL), where he majored in animal science. After graduating from college, Poss returned home to the family operation and began growing his Angus cow herd, while working with his parents on their farming operation. That same year, 1993, he sold his first three bulls privately. In 2005, Poss purchased his own ground and continued to help his dad farm. Sadly,

in February 2012, Poss lost his dad to brain cancer. In 2017, he and Kristi moved the bull sale to their ranch near Scotia. Today, with the help of their boys, they market more than 300 bulls a year. To Danny and Kristi's 30 years of marriage, they have four children: Nolan, Nathan, Neleigh and Natalie.

To learn more about the American Angus Association Board of Directors or how the delegate process works, visit www.angus.org/about/board-of-directors. - By Jessica Hartman, Communications Specialist
