## On the Cover:

Photo by Margo Lehn, Long Pine, NE

Springtime. Well, that sure came fast, and we are already well into 2026 at the Nebraska Angus Association. Member production sales have been in full swing, with a sale nearly every day throughout February and March. Sales have been trending upward with record highs, and producers are earning top dollar for Angus genetics. Hard work is paying off, and I hope that continues for all our cattle producers.

In January, I had the opportunity to represent the Nebraska Angus Association at the National Western Stock Show in Denver. The weather was phenomenal this year, and the new facility for the cattle shows and breed association gatherings made for a great experience. It feels like a completely different place compared to six years ago, but the updates are impressive and tie into the stockyards very well. Nebraska was represented strongly this year, and we hope even more breeders will participate next year at this outstanding venue. You can find results from the NWSS on page 28.

Next up for the Association is the Cattlemen’s Classic in Kearney. By the time you receive this issue, the event will either be underway or just wrapping up. Angus breeders from across the state will be exhibiting at this 35th annual event. We encourage you to check out the sale and results afterward on our Facebook page or on the Cattlemen’s Classic website.

Summer will be here before we know it, and planning for Association events is already underway. The annual Nebraska Angus Tour is currently in the works. The exact location, date, and additional details will be announced soon. Please keep an eye on our Facebook page and the annual directory in July for more information.

Also happening this summer is our heifer raffle for youth scholarships. This program has been very successful from the start, and we hope to keep it going strong. If you are interested in donating a heifer, please reach out to any member of the Nebraska Angus Board of Directors, Will Harsh with the American Angus Association, or myself. Donating is a great way to promote your operation and Angus genetics. The heifer will be drawn for during the Nebraska Angus Tour.

A busy year is already in full swing, and I’m sure this one will go by even faster than the last. I hope each and every one of you has a safe and prosperous spring, and I look forward to seeing you at events throughout the year. As always, please let the Association office or Board of Directors know if you have any questions or concerns.

Sincerely,

Margo Lehn  
 NAA, Secretary / Manager

# AMERICAN ANGUS ASS. BOARD OF DIRECTORS

By: Danny Poss, AAA Board Member

Dear Nebraska Angus Members,

As I write this update, winter has treated us kindly across much of the state. Warmer-than-normal temperatures, very little snow to push, and favorable calving conditions have made for a smoother start to the season. After a few challenging years of weather extremes, it's been a welcome change and one we're grateful for.

I'd like to extend congratulations to Bill Rishel on his recent induction into the Saddle & Sirloin Club. Bill has left an incredible and lasting mark on Nebraska Angus through his commitment to education and his leadership in advancing the Angus breed. His early influence in strengthening genetics that helped shape today's Certified Angus Beef program has benefited not only our state, but the entire beef industry. We appreciate his years of dedication and the legacy he has built.

As you read this issue, I encourage you to consider using the tools available through the American Angus Association to help add value to your operation and strengthen your genetics. It starts with investing in a registered Angus bull. If improving the genetics in your cowherd is your goal, GeneMax Advantage can help you evaluate and mate females with confidence and purpose. The Angus Genetic Merit Scorecard helps document your progress and ensures you're getting paid for the genetic investment you've made. And if you sell feeder calves, Angus Link is a great way to capture more of the premiums paid for high-quality Angus genetics, while continuing to support demand for Certified Angus Beef. When these tools are used together, they take the guesswork out of decisions and help put more dollars back into your operation.

Looking ahead, national cow inventory numbers continue to decline. With tighter supplies, we expect the strong market for quality, high-priced angus feeder calves to continue. Producers who focus on documented genetics and added value will be well positioned to capitalize on these opportunities.

Thank you for the work you do every day to represent Nebraska Angus with integrity and excellence. It's an honor to serve you at the national level and to advocate for our state's cattlemen.

Warm regards,

Danny Poss  
AAA Board Member

# PRESIDENT SPEAKS

By: Adam Sellman, NAA President

## Hello from western Nebraska and Happy New Year!

It continues to be a beautiful calm winter with nice temperatures. Getting into the spring bull sale season and calving makes for a fun time of year. The bull sales have gotten off to a great start and it is a great time to add Nebraska Angus genetics across this great country.

In December, Bailey and I attended the winter classic banquet in Kearney. We enjoyed seeing a great crowd of Angus breeders. I encourage all juniors to take advantage of the scholarships available, there are many great opportunities for the youth both in the Nebraska and American Junior Angus Association. Don't forget to mark your calendars on May 29-31 for the State Junior Show in Albion, NE.

A round of applause to all the exhibitors who traveled to Cattleman's Congress and the National Western Stock Show in January. We were very proud how well Nebraska breeders showcased their livestock and represented our state, just another reminder how high our standards are in Nebraska.

It has been a fun time watching Angus genetics reach premium levels. Bred cows and replacement heifers at record levels. Fat cattle have remained steady with boxed beef continuing to move as consumers enjoy CAB steaks and hamburgers.

I encourage everyone to watch for upcoming information about the Nebraska Angus Tour this fall. The tour is a great time to get acquainted with people all over the state and see some good cattle and new country.

With that I hope everyone has a safe calving season, profitable sale season and a good early spring. Hope to see you down the road.

Sincerely,

Adam Sellman  
NAA President

# Nebraska Angus Association Scholarship Application

## Due March 15, 2026

Send to Margo Lehn, Po Box 245, Long Pine, NE 69217

Please return by mail or email to: [info@nebraskaangus.org](mailto:info@nebraskaangus.org)

*(IF SENDING BY EMAIL PLEASE CONFIRM IT IS RECEIVED)*

The Nebraska Angus Association annually offers scholarships to Angus youth.

This year we are proud to announce that the Nebraska Angus Auxiliary will be partnering with this scholarship again and we will be offering \$1,250 in scholarship money. The winners will be announced at the Nebraska Junior Angus State Show in June. Individuals who have been awarded this scholarship in past years may reapply but no more than \$1,000 will be awarded to any one individual.

Applicants must be a Nebraska resident, current member of the Nebraska Junior Angus Association and current junior member of the American Angus Association or, if over 21, a former member of both organizations. Applicants must be a graduating high school senior or undergraduate who will be enrolling in a 2 or 4 year post high school educational program in the coming year. Applicant's parents must be members of the Nebraska Angus Association.

## Hello Angus Family,

As we ring in the new year and kick off 2026, I hope everyone had a wonderful holiday season. For those of you in the midst of calving, I hope your season is off to a successful start. Our Nebraska juniors have certainly started the year strong, with an outstanding showing at both the Cattlemen's Congress and the National Western Stock Show.

We are proud to celebrate multiple division champions and reserve champions, along with several major highlights at the National Western Stock Show, including McKinley Stoller exhibiting the Reserve Grand Champion Phenotype and Genotype Female, Circle B Livestock earning Grand Champion Carload, and Krebs Ranch exhibiting the Grand Champion Pen of Three Bulls. Congratulations to all exhibitors at the 2026 National Western Stock Show, Nebraska was once again very well represented!

Looking ahead, the Nebraska Cattlemen's Classic will take place February 19-22. While we will not be holding a junior meeting that weekend, we encourage everyone to

join us May 30-31 in our new location of Albion, NE, for the annual Nebraska Junior Angus State Show. Juniors are also encouraged to sign up for contests at the National Junior Angus Show and consider running for a position on the Nebraska Junior Angus Board. This weekend is always a great time filled with learning, leadership, and fun, and we look forward to seeing you there.

As always, if you have any questions or suggestions, please feel free to reach out to any of the officers or advisors. We look forward to seeing you all soon!

Warmest regards,

Addison Crouse  
(308) 550-2817

## Mark Your Calendars

### NATIONAL JUNIOR ANGUS SHOW

### NATIONALS: JULY 12 - 18, 2026

### LOUISVILLE, KY

# 2026 Nebraska Jr. Angus Show

May 29th - May 31st, 2026

Fairgrounds – Albion, Nebraska

Exhibitors may begin arriving anytime on Friday, May 29, 2026

Cattle Check-in: Saturday from 9-noon

(cattle must be on the grounds and checked in by noon on Saturday)

National Team Contests - Saturday afternoon (fitting, team sales, quiz bowl if needed)

NeJAA Meeting Saturday at 1:00 p.m. - Family Picnic Saturday at 7:00 p.m.

Show begins Sunday at 9:00 a.m.

## Early Entries & Early Entry Fees due May 10, 2026

Bedding will be provided in the barn. Tie outs are allowed on your trailer, you will need to provide your own bedding.

**Tie out pens will be available on a fundraising effort by the NeJAA. Stay tuned for more details!**

### A. ELIGIBILITY OF EXHIBITORS AND ENTRIES

1. Exhibitors must be members of the NeJAA and must be between the ages of 7-21 as of January 1 of the current year. Participation is acceptable through the calendar year of the individual's 21st birthday.
2. Animals must be registered in the name of the exhibitor.
3. Eligibility of entries will be determined by age and the National Junior Angus Association show classification.
4. Exhibitors in the bred-and-owned categories must be the breeder and first and continuous owner of the animal entered.
5. Exhibitors may show up to six entries in the owned heifer category and up to four entries in the steer category. They may also show as many bred-and-owned bulls, bred-and-owned heifers, and cow-calf pairs as they wish.
6. Must present original certificate or electronic registration at check-in. All tattoos must be legible.
7. The show will be "blow and go". The Nebraska Junior Angus Show is a "No Fit" show defined as exhibitors may NOT use glue, adhesive, foam, coloring or paint products. Oils and "Kleen Sheen" type products are allowed. No stomach pumping or artificial fillers allowed.
8. The ownership deadline shall coincide with NJAS rules, ownership deadline is May 15th, 2026 (process date).

### B. CLASSES

1. The classes will be the same as recommended by the National Junior Angus Association. There will be classes for bred-and-owned heifers, bred-and-owned bulls, owned heifers, phenotype/genotype heifers, registered steers, cow/calf pairs, and predominantly black hided crossbred steers and heifers. There must be at least 5 or more head to have a separate division.
2. There will be an additional class for the best pair of heifers. Both heifers must be shown by the same exhibitor on show day to qualify as a pair.
3. There will be a Supreme Champion selected from the Champion owned heifer, bred-and-owned heifer, cow-calf pair, and bull.

### C. SHOWMANSHIP

1. Showmanship classes will be divided according to age as of January 1 of the current year following the National Junior Angus Association's age divisions for contests. The Junior Division: 13 and under, Intermediate Division: 14-17, and Senior Division: 18-21. To be eligible for showmanship contests, participants must be exhibiting an animal at the show.

**Unless otherwise stated, National Junior Angus Show rules apply.**

### PARTICIPATING IN NATIONAL SHOWMANSHIP CLASS:

Two contestants will be selected to represent Nebraska at the National Junior Angus Show from a specified NJAS showmanship class at the State Junior Show. To represent Nebraska at the National Showmanship contest, the exhibitor must be a Junior or Life Member of the Nebraska and American Angus Association, and an active member of the Nebraska Junior Angus Association. All fees must be paid before entering the contest. Contestants by entering agree to abide by the NeJAA and NJAA rules. **Active Member** being defined as having participated in state, regional, or national Angus shows/activities in one of the past two years, current year excluded.

### DEADLINE IS MAY 10TH - MAIL ENTRY FORM AND PAYMENT TO:

Advisors: Jake & Kami Scott: (308) 360-3801 • Matt & Jennifer Dalrymple: (308) 650-2304 • Dan & Cassie Malander (308) 550-0348

**THE ENTIRE ENTRY FORM CAN BE FOUND AT:**

# Seize the opportunity with Male Sexcel®

- » Grow from within—more bull calves, more bulls to sell from same number of cows.
- » Strategically make more heifer bulls or more high-performance bulls.
- » Whatever your most valuable male calves, make more of them with Male Sexcel®.

NAAB	Name	Full Name	Male Sexcel

Sexcel is a game changer for us. High genetic merit Angus bulls are our bread and butter. With the strong availability of male-sexed semen at ABS, it is a simple process for us to pick the bull that fits our needs genetically and produce more of our desired product. We now routinely achieve a 60 percent ratio of bull calves each year.

# NEBRASKA ANGUS QUEEN SPOTLIGHT

## NEBRASKA ANGUS QUEEN

### Mckinley Stoller

The Nebraska Angus Association would like to introduce our 2026 Miss Nebraska Angus Queen, Mckinley Stoller. Mckinley resides near Palisade, Nebraska, on her family's ranch, Bear Mountain Angus. Her family includes her parents, Brian and Tiffany Stoller, and her older sister, Reagan Cavanaugh, along with Reagan's husband, Dennis. Mckinley has been around Angus cattle her entire life, and she truly believes it's the best breed out there. When asked what inspired her to become the next Nebraska Angus Queen, she replied, "I've always wanted to be the Angus Queen. I grew up watching my sister serve and saw all the amazing opportunities she had. She was the Nebraska Angus Queen, and I loved helping her at shows. When I was the Nebraska Angus Princess, I got to see Addi Crouse be such a great role model. That made me want to become a role model for other girls someday as the Nebraska Angus Queen."

Mckinley's path in the Angus business began when she was very young. She explained, "I've been involved with Angus cattle for as long as I can remember. I went to my first Angus show when I was just two weeks old at the Nebraska Winter Preview Show. I grew up watching my sister show, and I couldn't wait until I was old enough to show my own cattle. I've been a member of the Nebraska Junior Angus Association for eight years." When asked about her history in the Angus business and how she got started, she said, "My dad started Bear Mountain Angus as a 4-H project when he was younger. Over the years, it has grown into what it is today. My parents first had their ranch in Idaho, but when they had to move, they found our place in Nebraska and moved here in 2008."

Throughout her life, Mckinley has been involved in many activities and organizations, including 4-H, FFA, the Nebraska Junior Angus Association, and the National Junior Angus

Association. She has also participated in speech, volleyball, basketball, track, church, and One Act. Mckinley is very thankful for all the opportunities she has had and for being part of the Angus breed.

When asked about her favorite part of being

Queen so far, Mckinley responded, "My favorite part so far has been meeting Miss American Angus, Claire Murnin. She was such a great role model and very kind and welcoming when I helped

her at the National Western Stock Show. Getting to represent the Angus breed has been an amazing experience."

She also offered advice to any girl hoping to become the next Nebraska Angus Queen: "I would tell them to go for it and believe in themselves. Confidence is really important, and my family has always taught me to be confident in what I do. You'll get out of it what you put into it. It's also a big leadership role, so don't be afraid to step out of your comfort zone and meet new people. I'm still working on being more outgoing myself."

Mckinley has set future goals for herself, including running for the National Junior Angus Board of Directors and earning a green coat. She commented, "I watched my sister go through the process, and it inspired me. I think it would be an awesome opportunity to represent Nebraska and the Angus breed on a bigger level."

After high school, Mckinley plans to attend a junior college and compete on a livestock judging team. She then hopes to attend Kansas State University or Oklahoma State University to major in Agricultural Education with a minor in Animal Science. Her goal is to become a high school agriculture teacher and eventually return home to help run her family's Angus operation.

If you would like to meet Mckinley or have her attend your upcoming production sale, annual event, or simply invite her to your ranch for a visit, please contact the Nebraska Angus Association office.

# NEBRASKA ANGUS PRINCESS SPOTLIGHT

## NEBRASKA ANGUS PRINCESS

### Addison Dalrymple

Addison Dalrymple, the Nebraska Angus Princess for 2026, resides near Arnold, Nebraska, with her parents, Matt and Jen Dalrymple, and her younger brother, Kowen. Her history in the Angus business began when she was old enough to show her first Angus steer. The Angus breed is a special community; one Addison is grateful to be part of through both the Nebraska and National Junior Angus Associations.

Addison has been highly involved in the Angus breed as well as in a variety of extracurricular activities. Each year, she attends the National Junior Angus Show, where she participates in Quiz Bowl, Team Sales, Cook-Off, Skillathon, and livestock judging. Outside of Angus events, she has been involved in basketball, volleyball, track, 4-H, Junior Honor Society, and her local church.

As the Nebraska Angus Association Princess, a role now in its fourth year, Addison was asked what motivated her to pursue the title. She explained, "I was interested in becoming the Nebraska Angus Princess because I always want to try

new things and push myself out of my comfort zone while having the opportunity to build connections within the Nebraska Association and beyond."

So far, Addison has had the opportunity to assist at the Nebraska Junior Angus Winter Show and the National Western Stock Show. When asked about her favorite part of serving as Princess, she shared, "My favorite part so far has been working the ring at the National Western Stock Show in Denver with Miss American Angus, Claire Murnin." She also offered advice to any girl aspiring to be the next Nebraska Angus Princess: "My advice is to be confident and embrace the opportunity. My parents always told me to push myself outside of my comfort zone, and you get out of it what you put into it. Enjoy the experience because time flies by fast!"

Addison's passion for the Angus breed is clear, and she has set ambitious goals for her future, including running for the National Junior Angus Association Board and aspiring to become Miss American Angus someday. If you would like to meet Addison or invite her to your upcoming production sales, events, or simply for a visit, please contact the Nebraska Angus Association office.

# NEBRASKA CHAMPIONS

## Grand Champion Pen of Three Bulls

Krebs Ranch, Gordon, Neb., won grand champion pen of three bulls at the 2026 National Western Stock Show's Angus Pen and Carload Show, Jan. 18 in Denver, Colo. The January 2025 bulls posted an average weight of 1,427 pounds and an average scrotal circumference of 39.7 centimeters. They are sired by 44 Faithful 2764, HF Nexus 208K and Connealy Surplus. They first claimed early calf champion. John Pfeiffer, Mulhall, Okla.; Aaron Kiser, Proctor, Texas; and Joe Myers, Harrodsburg, Ky., evaluated the one carload and 26 pens. Photos by Legacy Livestock Imaging.

## Junior Champion Bull

KR Creed 4089 won junior champion bull at the 2026 National Western Stock Show's Super Point Roll of Victory (ROV) Angus Show, Jan. 17 in Denver, Colo. Payton Scott and Harper Scott, both of Gordon, Neb., and Piper Cates, Modoc, Ind., own the winning bull. Photo by Legacy Livestock Imaging.

## Summer Heifer Calf Champion

Seldom Rest Cassandra 95N won summer heifer calf champion and bred-and-owned reserve junior heifer calf champion--division 1 at the 2026 National Western Stock Show's Junior Angus Show, Jan. 16 in Denver, Colo. Payton Scott, Gordon, Neb., owns the winning heifer. Photo by Legacy Livestock Imaging.

## Grand Champion Carload of Bulls

Circle B, Albion, Neb., won grand champion carload of bulls at the 2026 National Western Stock Show's Angus Pen and Carload Show, Jan. 18 in Denver, Colo. The 10 February 2025 bulls posted an average weight of 1,174 pounds and an average scrotal circumference of 32.2 centimeters. They are sired by Basin Jameson 1076, Sterling Pacific 904, Williams Jonesboro 700-602, Crouch Congress and BAR Dynamic. John Pfeiffer, Mulhall, Okla.; Aaron Kiser, Proctor, Texas; and Joe Myers, Harrodsburg, Ky., evaluated the one carload and 26 pens. Photo by Legacy Livestock Imaging.

# AMERICAN ANGUS ASSOCIATION NEWS

## *Harper Scott earns Junior Bronze and Silver Awards*

*Harper Scott, Gordon, Neb., has earned the National Junior Angus Association's (NJAA) Bronze and Silver awards.*

*By Amber Wahlgren, Communications Assistant*

Harper Scott, Gordon, Neb., has earned the National Junior Angus Association's (NJAA) Bronze and Silver awards, according to Caitlyn Brandt, events and junior activities director of the American Angus Association® in Saint Joseph, Mo.

Scott is the 12-year-old daughter of Jake and Kami Scott and attends Gordon-Rushville Public School. She is a member of the NJAA and the Nebraska Junior Angus Association, where she has served as director.

She has participated in local, state, regional and national shows and showmanship contests. At the National Junior Angus Show (NJAS), Scott participated in the livestock judging contest and the All-American Certified Angus Beef® Cook-Off. She also participated in the 2022-2025 mentoring program.

Scott has submitted weight data to the Angus Herd Improvement Records (AHIR®) and consigned cattle to the Krebs Ranch Annual Bull sale and National Western Stock Show (NWSS) Foundation sale.

The Bronze and Silver awards are the first two levels of the NJAA Recognition Program that began in 1972. Junior Angus breeders must apply for the award, then meet point requirements in many areas of participation before receiving the honor. Applicants are evaluated in areas of junior Angus association activities and leadership, participation in showmanship, contests and shows, using performance testing to improve their herd and their progress in producing and merchandising Angus cattle.

# HEIFER RAFFLE SCHOLARSHIP WINNERS

## 1st Place

**Braxton Rynearson, Broken Bow**

**BRAXON RYNEARSON**, a senior at Broken Bow High School, has been part of the Nebraska Angus Association – and Jr. Angus Association since 2018. Braxton has been very active in competitions in Nebraska, Nevada, Montana, Oklahoma, and Wisconsin. He has also participated in Angus Raising the Bar and LEAD leadership events. Braxton's involvement is rooted in family tradition and the legacy of raising quality livestock. Angus cattle have always been a part of the family operation and continuing that legacy gives him a sense of pride and responsibility. This passion continues to grow as Braxton has been employed with Dal Porto Livestock – working daily with show cattle, along with his own herd and those that are owned by his grandparents, Scott and Yolonda Spanel. Through involvement with the Angus breed Braxton states, "the breed offers leadership, education, and community opportunities through junior associations and activities. Through these I have grown personally and professionally, gaining valuable lessons in communication, responsibility, and agriculture. I can't thank my grandparents and parents (Jason and Amber Rynearson) enough for their support as I chase my passion and future." Braxton plans to attend UNL this fall and major in Agribusiness. He intends to continue to grow his herd and mentor others looking to become involved in the programs offered.

## 2nd Place

**Tucker Stagemeyer, Page**

**TUCKER STAGEMEYER** is currently a junior at Kansas State University, majoring in agricultural economics with a pre-law option. Upon graduation he plans on attending law school with the goal of being an ag attorney. Some of Tucker's highlights within the Angus Association include being a member of Team USA at the World Angus Forum in Australia and being named world champion team, a top 15 finish in NJAS showmanship, a two-time CAB Cook-Off Black Kettle Award winner, and Champion Intermediate Stockman in 2022. On top of his contest involvement, he has exhibited multiple division champion heifers at the American Royal and Nebraska State Fair. With the conclusion of his junior career, Tucker now aims at opening a law office near home, while still being involved in Stagemeyer Cattle Company, alongside his goal of making impacts in ag policy one day.

My name is **LOGANNE BARTA** from Yutan, Nebraska, and I've been a part of the Nebraska Angus Association for the past seven years. I'm very grateful to have received the Nebraska Angus Heifer Raffle Scholarship, as it reflects my passion for the Angus breed. I recently had the opportunity to serve as the Nebraska Angus Queen, which was an experience I truly learned so much from. I'm currently attending Kansas State University, where I'm continuing my involvement in agriculture.

## 3rd Place

**Loganne Barta, Yutan**

My name is **ADDISON CROUSE**, and I am from Belgrade, Nebraska. I am currently a freshman at Kansas State University, where I am majoring in Animal Science with a minor in Agricultural Communications. I also have the amazing honor of serving as the President of the Nebraska Junior Angus Association. Through my involvement in the Angus breed, I have developed leadership skills, confidence, and a strong passion for the industry. The lessons learned through both the Nebraska Junior Angus Association and the National Junior Angus Association have prepared me for both my academic career and future goals within agriculture. The Nebraska Junior Angus Association has provided me with countless opportunities, friendships, and experiences that have shaped who I am today. I am incredibly thankful for the support and encouragement I have received through this organization, and I am truly grateful to be selected as a recipient of the Nebraska Angus Heifer Raffle Scholarship!

**TYSEN YOUNG** is a 2024 high school graduate from Montana. In the fall of 2024, he moved to Nebraska to assist his aunt and uncle with their registered Angus cattle operation. Through this experience, Tysen became an active member of the Junior Nebraska Angus Association and further developed his passion for the beef industry. He is currently pursuing higher education in Animal Science at Northeast Community

# HEIFER RAFFLE SCHOLARSHIP WINNERS

**4th Place**

**Addison Crouse, Belgrade**

**5th Place**

**Tysen Young, Norfolk**

**6th Place**

**Bailey Sellman, Hemingford**

College in Norfolk, Nebraska, with a focus on advancing his knowledge and involvement in livestock production.

My name is **BAILEY SELLMAN**. I am the daughter of Jodi and Adam Sellman. I grew up on my family's cow calf operation and have been involved in agriculture my entire life. I'm an active member of the Nebraska Angus and Hereford Association. I have always loved being outdoors and working with cattle. Being able to work with my family and help build our business has been a great experience that I wouldn't change for anything.

During my high school career, I have been active in sports, student councils, and 4-H. While I love being an active participant in my school's organizations, I have enjoyed my time outside of school working with younger kids in 4-H. From being in the Ag industry, I have chosen to continue my education studying Ag Business. I look forward to learning more about the industry and giving back to the community. Once I have finished my college education, I plan to come back to Sellman Ranch and help my family in all ways possible. I would also love to get into coaching volleyball and encourage girls to love the sport as I have.

Thank you for this wonderful opportunity to help me in my future education. I really appreciate everything the Nebraska Angus Association does for our communities. I'm extremely excited to see what's in store for me in the next couple years!

# WANTED

The Nebraska Angus News is in search of photos from around Nebraska from our fellow Angus Breeders! We would love to see them and publish some in our magazine and maybe on the Cover!

If you have a picture of your place or your Angus herd please send to: [info@nebraskaangus.org](mailto:info@nebraskaangus.org)  
Photos must be high resolution (300 dpi or better) and at least 8 inches wide.

## enVISION Your Cow Herd in 2030...

### Vision Barbara 303

This two-year old Ellingson Rangeland daughter, represents our Vision for a cow herd that is built upon real-world function and females that are fertile, docile, productive and impressive to look at.

### PROGRESS MAY LIVE IN BALANCE, NOT IN THE EXTREMES.

Allow our family with 30+ years of experience in the beef industry help you "Create a Vision for Your Cow Herd." You'll find our unique way of benchmarking your cow herd help you navigate the future beef industry.

- Challenge high input costs
- Produce calves that are in demand
- Avoid extremes that negatively affect your cow herd & profitability

Don't wait until you go to a bull sale to decide how your cow herd moves into the future. Reach out to us today & discover how to *Create a Vision for your Cow Herd*

#### • Functional

Structurally sound, good-footed, easy-keeping females with strong mothering ability and problem-free udders. Time is our most limiting resource and our mother cows should function with no to little assistance.

#### • Docile

Family friendly, gentle, problem-free, no-hassle cattle are a necessity. We all appreciate team members that come to work with a positive attitude, work hard and are easy to get along with. Our cattle shouldn't be any different.

#### • Fertile

The number one profit-driver is a pregnant cow. It's essential that heifers, young and mature cows breed early and are able to maintain that pregnancy while foraging and thriving in their environment.

#### • Productive

Not maximum... but productive. The end-product, whether it's feeder calves, replacement heifers or seedstock genetics should be a profitable outcome that represents your brand well without sacrificing the maternal traits needed to remain profitable.

**Vision**  
*Angus*
